April 2015 Monthly News Bulletin

Dear Enroll-HD Investigators and Site Staff,

An Enroll-HD progress update over the past month:

Enroll-HD website update

- The new Enroll-HD website is now live – go to www.Enroll-HD.org to find lots of information about how Enroll-HD is structured and the people who keep it running, from site staff to participants to clinicians to researchers, plus links to lots of information sources. Please share the link with your site staff and your participants and check back often for new articles, updates and announcements.

Recruitment update

- As of April 1st, a total of 5,491 participants have been enrolled at 106 sites around the world. See below for further details regarding Enroll-HD recruitment.

The top enrolling site is Hereditary Neurological Disease Center (Wichita, Kansas) with 230 participants enrolled!
Regional Startup and Enrollment Updates

NORTH AMERICA:
- 2,816 participants have been enrolled at 56 active sites.
- An additional 12 sites have begun the site start-up process.

AUSTRALIA & NEW ZEALAND:
- 282 participants have been enrolled at 5 active sites.
- Two additional sites have begun the start-up process

LATIN AMERICA:
- 83 participants have been enrolled at 2 active sites.
- Start-up efforts continue at 10 sites in Argentina, Brazil, Chile, and Peru.

EUROPE:
- 2,310 participants have been enrolled at 44 sites in Germany, Poland, Italy, Netherlands, and the UK.
- 84 of the European sites that will participate in Enroll-HD now have fully executed contracts.

Thank you for your support in helping Enroll-HD achieve its goals.

The Enroll-HD Study Team
